ABOUT ME

I am Lindiwe Mkuzangwe, a proud graduate with an Information Technology Diploma from the Central University of Technology.

My professional journey has been marked by a robust skill set in the realms of Microsoft technologies, programming, systems and network management, data analysis, and cloud computing. These competencies have not only equipped me with a solid foundation in IT but also ensure that I bring a well-rounded expertise to any technical team.

I am eager to leverage my experience and skills to contribute to innovative solutions and drive success in a dynamic work environment.
